BEST VALUES ANYWHERE.

After you have learned of our remarkable finance plan and our three-day free-trial guarantee—there can be no surprise that we have sold over 275 "used cars" since February 1.

After you've taken in all the "sales" and gone to cut-rate houses—set yourself for a big surprise and a display of standard cars unequalled by any reliable dealer in town.

FOR YOUR COMPARISON:

BUICK—1921, 5-passenger touring. This car has one bad tire, to make the price low and value high. To you at cost—\$750.

NASH—1921, touring, a 5-passenger car that really looks like new. Has not been run enough to even show wear. Probably you're a Nash booster. Tell a friend or inspect this car yourself—\$725.

DODGE COUPE—1920. A nicely kept car, one which would please the most exacting buyer. Higher appraisals were made by other dealers—\$650.
